On March 19, let's get **TOGETHER** for healthy workplaces

Together, members of all federal public service unions will show that we want healthier workplaces and better public service for all Canadians.

Together, we'll send a clear message to the employer and to all Canadians that we support efforts to negotiate collective agreements that will take on toxic workplaces and not implement a "go to work sick" policy.

On March 19, join with your colleagues to support our common campaign for healthy workplaces.
