THE CANADIAN MERCHANT SERVICE GUILD

The union representing thousands of Ships' Officers and Marine Pilots across the country. Guild members focus on transportation safety and the protection of Canada's marine environment. Our Members conduct the safe movement of ships through the Welland Canal. This work is made possible by those who paid the ultimate sacrifice during the construction of this extremely important shipping route. The Guild is very proud to be a "Platinum Crane Sponsor" of the Welland Canal Fallen Workers Memorial Project.
