Marine Advanced First Aid - September 4-7, 2018

\$ 545.00

Location: Best Western Plus Coquitlam, 319 North Rd., Coquitlam, B.C.

Time: 8:30am - 5:30pm

Date: September 4-7, 2018

Comprehensive 31-hour course teaching first aid and CPR techniques and scenarios for those who need a higher level of training to work and respond to emergencies in a marine setting. Course meets the requirements of Transport Canada outlined in Transport Publication (TP) 13008. Designed for any person who wants to obtain a Master's or Officer's certificate or endorsement, or those providing first aid on board a vessel engaged on coastal voyage, class 1, or unlimited voyage.

Students receive a Transport Canada Marine Advanced First Aid certificate valid for 5 years, as well as a Red Cross Marine Advanced First Aid certificate.

*** Please note: as per Transport Canada this course is 31 hours of teaching time PLUS a written and practical examination.**
