

Notice to Members of a Guild strike to commence on all Seaspan Tugs

This notice is to inform all Members in both Guild Branches that our contract negotiations at ***Seaspan ULC*** have reached an impasse and we will be commencing a legal strike at noon Pacific time on Thursday August 25th, 2022 on all 30 of the Seaspan tugs in British Columbia. Guild Members are reminded that in the event that an opportunity for employment were to arise on any Seaspan ULC vessels during this strike, then these opportunities must be immediately declined. In the event that the strike is delayed due to an improved offer from the employer, or when the strike at Seaspan has eventually terminated, this notice will be removed from the Guild website.
