

Referendum Results Re: Western Branch Guild Building – April 2014

A few weeks ago, a detailed update was sent to CMSG Western Branch Members to explain the decision by the Branch Executive Board regarding the possible sale of the Guild building in Coquitlam B.C.

The package sent out by mail included a referendum vote to determine whether or not Western Branch Members support the Branch Board's decision.

The referendum results were counted by the Branch Trustees on April 24th, 2014 and a majority of the ballots returned were in favour of the sale of the building.

Thank-you to all those who participated in this important process and we will continue to keep members informed regarding developments.

Branch President
